### WORK EXPERIENCE

#### Full Stack Developer

SEQUENCE ERP | APRIL 2024 - AUGUST 2024

I developed a Swiss ERP with Angular, Nestjs, and PostgreSQL that allows users to manage their resources: payroll, purchase/sales invoices, taxes, and more. Currently in the process of obtaining a fintech license.

#### Full Stack Developer - Business Intelligence Department

VOLKSWAGEN RETAIL GROUP SPAIN | APRIL 2022 - APRIL 2024

I am in charge of programming the frontend structure for the company's nationwide applications to enhance resource management, including fleet, leads, users, dealerships, etc. I document my work using Jira Confluence. My typical day consists of: 70% development, 20% documentation/planning, and 10% other tasks.

#### Marketing Digital | Co-founder

MUSHING MARKETING CB | FEBRUARY 2020 - MARCH 2022

I started in the fields of SEO and web development, eventually focusing on the latter and coordinating projects in WordPress. I have a professional command of Elementor. I also have experience with Woocommerce and integrating payment platforms such as Stripe and Paypal. I implement inbound strategies using HubSpot CRM.

#### Legal and Billing department

EUROPA PRESS MEDIOS S.A. | APRIL 2015 - APRIL 2022

National fleet management for Europa Press Group's vehicles. Management of purchase orders (POs), contracts, and addendums. Handling of financial reports for subsidies with the Public Administration. Budgets, contracts, and addendums management.  
Suppliers and bank account management of the Group. Treasury reports.
